电子科技大学
University of Electronic Science and Technology of China

Five Adjunct Professor Positions with UESTC, China

Welcome to School of Political Science and Public Administration

Nestled in Chengdu, a time-honored city famous for its history, culture and landscapes, University of Electronic Science and Technology of China (UESTC) established in 1956 as one of key Universities in China. In 1997, UESTC was included in the first group of universities in the "211 Project", a national program of promoting China's higher education. In September 2001, UESTC was selected as one of the Chinese universities that gain special financial support from both the Ministry of Education and the local Provincial Government (Project "985") .

School of Public Administration and Political Science is top ranked for our full line of degrees from undergraduate to Master degrees including MPA Program ,mainly majoring in Public Administration, Psychology, Political Science, Laws and Leadership in highly rated education. We offer many unusual advantages compared to other schools of Public Administration and Political School for UESTC is “a cradle for Chinese Electronic Information Industry”. Therefore, our school’s research and teaching is information knowledge based one.

We pride ourselves on being research-led with around 60 high degree teaching and researching staff. We focus more on the hot issues facing Chinese government, both locally and centrally.

Our teaching is rated “excellent”, having been awarded 3 top rating and 1-second ratings for National Excellence; 2 top ratings and 3-second ratings for Sichuan Provincial Excellence.

Our research has been awarded 1 second rating and 1 third rating for national excellence; 2 Top rating and 2 second rating and 5 third ratings for Sichuan Provincial Excellence.

Our goal of ICPA is to have Annual International Conference on public administration to be held successfully, aiming at more productive academic exchanges with the world leading universities. Through the past six years' joint efforts from both sponsors and participants, ICPA, as an important annual international academic conference, has developed into a worldwide academic event with high level influence in the international field of Public Administration.

Job Description :

The School of Political Science and Public Administration invites applications for 5 adjunct professors. Area of specialization is open but we are particularly interested in candidates with professional expertise in urban economics, ethics, human resources, quantitative analysis and organizational theory .

The successful candidates will contribute one or two week courses for bachelors and masters and co-conduct research with school research team; The positions are flexible time faculty appointments. Lectures can be delivered at your most convenient time or during the time while attending our annual ICPA. (For more info. On ICPA, please log in www.icpa-uestc.cn)

Job Requirements:

A Ph.D. or equivalent in Public Administration, Political Science, or closely related field is required.

Successful experiences in university-level teaching and research and a proven record of researches are highly desirable.

How to apply and the Deadline:

A complete application must include: a letter of application specifically addressing the position description and qualifications; curriculum vitae; names, addresses, telephone numbers and/or email addresses of three references whom the University may contact; (evidence of teaching and academic effectiveness and writing sample if applicable.) Please have all the information request emailed to zhaoshurong@uestc.edu.cn or zhaoshurong2001@163.com
